Insaf Fahim co,ltd

Company Profile

Overview:

Page 1

Insaf Fahim Furniture is a privately-owned company founded in 2003.

IFF supply high quality office & Military Furniture throughout Afghanistan, IFF prices generally include FREE delivery, assembly, installation and 1 year warranty. IFF use its own team of professionally trained installers who have extensive product knowledge and experience.

IFF use its own transportation which reduces the risk of damage from 3rd party courier companies.

IFF have combined experience within the office & home furniture industry with ISO9001 certificate.

Our focus is on providing unparalleled value for money but without compromising quality or service. An office design planning service is available should you require help with your layout.

IFF happy to discuss any aspect of your project and will do our best to accommodate any special requirements or ideas you may have.
